History of HackRice

Schedule (Today)

- 11:30PM: Event Kick-off and Lunch
- 1PM: Hacking Begins
- 6PM: Dinner
- 1AM: Fourth meal

Schedule (Tomorrow)

- 11 AM: Brunch
- 1 PM: Submission Deadline
- 1:30 PM: First Round Judging
- 3:30 - 5:00 PM: Finalist Presentations
- 5:00 - 6:00 PM: Reception (Cookies & Tea)

General Rules

- Follow the MLH Code of Conduct
- Basically: don’t break stuff, be respectful to others.

- Wear name tag
- Wear wristbands at all times for security purposes
- Have fun

Hacking Rules

To be eligible for prizes, your submission must:

- be created by team members entirely between the Saturday kick off and Sunday deadline
- be created by a team with at most 5 members
- External Resources: Participants may use external resources (online resources, reference books, help from mentors, etc), but the material of the submission must be created by team members alone.
- Third Party Libraries and APIs: Third party libraries and APIs are permitted if they publicly available and free to use.

Hardware

- Rice IEEE, Rice Ethernest, and MLH Hardware!
  - Arduinos, Beaglebone
  - Intel Galileo, Chronos SensorWatch
  - Oculus Rift, Alienware laptops
  - ez430-RF2500 dev kits
  - TI iPod-like Capacitive Touch interface
  - Monitors, Breadboards
- Hardware checkout begins at 1:00PM!
  - First-come first-serve, with pre-registered hardware as an exception

Logistics

- Will announce food/prizes to all rooms
- Hackers sent to food by table
- Ask sponsor mentors & alumni for project help
- Ask someone with a HackRice T-Shirt if you need anything

Logistics

- **Quiet Room**
  (pictured)
- **RMC Layout**
- **Control Room**
- **Power**
  - Don’t daisy chain
